

ATTENTION Healthcare Workers

HEALTHCARE FRAUD COSTS EVERYONE.

Fraud by healthcare providers (for example, hospitals, doctors, therapist, healthcare equipment suppliers, nursing homes, etc.) cost American taxpayers hundreds of millions of dollars a year. This may result in either decreased services for those most in need or increased taxes to cover these fraudulent expenses.

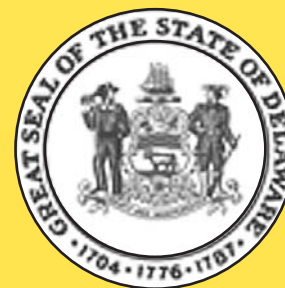

WE NEED YOUR HELP.

Report Healthcare Fraud to the Delaware Department of Justice.

- **Call our HOTLINE at (302) 577-5000**

Examples of Healthcare provider fraud include:

- Billing for services not actually performed
- Billing twice for the same medical service
- Billing for visits which did not occur (“phantom billing”)
- Billing for more expensive procedures than were performed (“upcoding”)
- Billing for unnecessary services or tests
- Billing for multiple procedures when they should be included in one (“unbundling”)
